Dear Homeowner,

The Gilchrist Owners Association has contracted with Benham Falls Asphalt, LLC to do maintenance on our roadways September 27th – October 1st and possibly longer.

This effort is to increase the longevity of our roads through general repair and patching. Benham Falls will also be improving driveway aprons that are mostly on Gilchrist common grounds, paid for by the Association. Many of these aprons will be on the west side of our streets.

This may impede the use of your driveway for up to 24 hours. Please plan accordingly.

Please be advised as an owner you are responsible to notify your renters where applicable.

Thank you,
Gilchrist Board of Directors
